Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction, for the above-identified patent under the provision of Rule 1.322 or 1.323.

Respecting the alleged error, in column 5, claim 1, lines 22-23 is a change made in an examiner's amendment at time of allowance. Since no error is involved and since applicant filed no objection prior to payment of the base issue fee, the requested change will not be included in the certificate. Therefore, no correction(s) is in order here under United States Codes (U.S.C.) 254 or 255 the Code of Federal Regulation (C.F.R.) R1.322 or R1.323.

In view of the foregoing, your request is hereby denied.

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch. Any response must be filed within a four week period.
